and Nurturing of Indian Languages (VAANI)-2026-27**

Regional Language - Nepali

— **WORKSHOP** —
on
**Artificial Intelligence and
Data Science
for Real-World Applications**

November 3 – 5, 2026

Sponsored by
All India Council for Technical Education,
New Delhi

About the Workshop

The workshop on Artificial Intelligence and Data Science for Real-World Applications, under the emerging field of Artificial Intelligence and Data Science, aims to provide participants with hands-on experience and insights into modern AI/DS techniques and their real-world applications. It will bring together experts, researchers and practitioners to share knowledge, discuss recent trends and explore opportunities for innovation and collaboration.

Key Highlights

- Expert sessions and hands-on training
- Real-world applications of AI and Data Science
- Interactive discussions and case studies
- Networking with industry and academic experts

Who Can Attend?

Faculty members, Research Scholars, Students,
Industry Professionals and other Interested Participants.

Emerging Field

Artificial Intelligence and Data Science

Important Dates

Last Date for Registration : **20-10-2026**
Intimation of Selection : **25-10-2026**
