**VISION**

**MISSION**

Develop professionals of excellent technical calibre in the field of Health Sciences, Engineering, Management and Social Sciences with a humane approach capable of shoudering the responsibility of building a nation and be globally competent.

**OBJECTIVES**

- To support, promote and undertake the advancement of academics
- To promote use of ICT and modern education technologies
- To encourage research, creation and dissemination of knowledge
- To facilitate extension and community service
- To empower people of Sikkim and contribute to human development in Northeast
- To create environmental and social responsibilities among students and employees
- To ensure steady growth of the University
Institutions of higher learning are vital for any progressive society and always determines the growth trajectory. With the advancement of science and technology and their impact in our day to day life, the role of technological and medical institutions have become all the more paramount. Sikkim Manipal University, guided by its vision to provide world class technological and medical education preparing skilled professionals for future India, has been consistent over last two decades in achieving its core objectives with high benchmarks.

As Chancellor of the University, I share the joy with the management, faculty and students on our accomplishments. We also remain firm on the goals that we have set for the future along our quest to impact lives of common folk beyond degrees and academics. Sikkim Manipal University has certainly added value to the lives of vibrant Himalayan State of Sikkim by igniting the minds of young ones and transforming them into dedicated professionals and entrepreneurs.

I wish the students the best of their time at Sikkim Manipal University. May you all achieve more and contribute as a true architect of New India.

(Ganga Prasad)
Dear Students,

Sikkim Manipal University (SMU) is part of the Manipal Education and Medical Group that operates 6 Universities in India and overseas. Among these, SMU has been at the forefront of providing medical and engineering education in the Eastern and North-Eastern regions of our country, since the late 1990s.

Sikkim Manipal Institute of Technology (SMIT) is a constituent college of SMU, set up in 1997 and, over the years, has established itself as a premier engineering institute. Similarly, Sikkim Manipal Institute of Medical Sciences (SMIMS), a constituent college of SMU, set up in 1999, is amongst the leading medical schools in these regions.

Today, SMU is a multi-disciplinary university with a strong faculty base and superior infrastructure. It has, since long, been very ably meeting the academic aspirations of students.

We look forward to welcoming you to our campus and are confident that SMU will be your stepping stone to a successful future.

Rajen Padukone

Message from The Pro Chancellor
Dear Candidates,

Sikkim Manipal University (SMU) was established in 1995, as a pioneering public private partnership between the Govt. of Sikkim and the globally reputed Manipal Education & Medical Group. It has the distinction of imparting high quality multi-disciplinary education in the fields of medical, allied healthcare, technology, management, humanities & social sciences in well-structured graduate, post graduate, doctoral (Ph.D.) & diploma courses & programmes.

Our endeavour and commitment are inspired by our vision to transform the lives of our students, through high quality education and contemporary training, in their journey of comprehensive understanding, awareness, discovery and perfection of cutting edge knowledge, multidimensional skills and core competencies to make them future ready in a holistic manner. Our Institutes have highly experienced & well qualified faculty, including state of the art infrastructure, facilities, equipment, laboratories, research ambience and an enabling organizational ethos. We strive to inspire, nurture and mentor our students to think progressively, develop value added perspectives by igniting creativity and innovation, through pursuit of professional and academic excellence. Our dedicated teams of faculty are committed to ensuring that our students are well trained and optimally prepared to face the challenges of their chosen profession and career in the competitive world.

Team SMU joins me to welcome you to a life defining, enriching academic journey and invigorating growth trajectory.

Lt. Gen. (Dr.) Rajan S Grewal, AVSM, VSM
Established on November 15, 1992 by an act of Sikkim Legislative Assembly through Act No.9/1995.

Section 1
Vision
To achieve eminence in the field of quality technological education and research.

Mission
To develop SMIT into an institute of excellence capable of producing competent techno-managers who can contribute effectively to the advancement of the society.

Objectives
- To provide wholesome education to meet the intellectual aspirations of students.
- To equip students with techno-managerial skills to enable them to take their assigned role in the industry.
- To inculcate essential ethics and values to meet the spiritual needs of the students.
- To provide a sound institutional environment nurturing emotional strength, a healthy mind, body and resilience amongst the students.
At Sikkim Manipal Institute of Technology, it is our endeavor to achieve eminence in the field of quality technological education and research. Our dedicated team of faculty members are committed to provide wholesome education to meet the intellectual aspirations of students and equip them with techno-managerial skills that will enable them to take their assigned role in the industry as thorough professionals.

We also aspire to inculcate all qualities which are essential to make our students contribute effectively to the advancement of the society.

The institute has state-of-the-art infrastructure and an environment conducive to meet academic, extra curricular and co-curricular aspirations of the students to enable them to be industry ready once they graduate from the institute.

We look forward for you to select Sikkim Manipal Institute of Technology (SMIT) as your destination for higher studies. We are sure that your stay with us will enable you to become a thorough professional in the technical field chosen by you.

With Best Wishes,

Prof (Dr.) Ashis Sharma
1.1 SMIT at a glance

SMIT was established in 1997. The courses are approved by AICTE/UGC. The first technological campus of Sikkim offers high quality technological education and promotes holistic growth of the students. Fully residential campus and endowed with natural beauty makes it an ideal place for students to emerge as the potential nation builders.

SMIT offers undergraduate, postgraduate and PhD in various disciplines of engineering, science and management.

1.2 Advantage - SMIT

- Proven and consistent incremental quality since 1997.
- Well qualified faculty members with strong emphasis on creativity and research.
- State-of-the-art infrastructure.
- Excellent placements coupled with dynamic institute-industry interaction.
- Vibrant Entrepreneurship and Incubation Cell promoting establishment of startup/companies.
- Student centric unique Teacher–Guardian Scheme for effective mentoring.
- Excellent discipline supported by unique Floor Warden scheme.
- Extracurricular activities facilitated by modern amenities for wholesome development of the students.
- Scholarship and benevolent fund to the deserving/needy students.
- Pollution free and peaceful atmosphere – excellent ambience for teaching learning.
- Specialization in B.Tech courses to make students industry ready.

1.3 SMIT – A glimpse

All the programs of the institute are approved by AICTE/UGC. The institute is also certified by ISO validating the quality processes in place.

Modern infrastructure, facilities and excellent teachers are the backbone of the institute. State of the art recreational facilities helps in energizing the students towards positive activities.

Personal care and student friendly approach are the basic tenets of the functioning of the institute.

Teachers and students combined have led to progressive good rankings of the institute by various ranking agencies.

A residential campus, it offers the best to the students in every sphere.

1.5 Academic Departments

Academic Departments at a Glance

All the departments have highly qualified and experienced faculty members providing quality education and guidance to the students. Faculty members adorn the role of guardian as well to facilitate the integration of students in the department and form a life-lasting bond with the students.

Laboratories of all the departments are equipped with the latest instruments to strengthen the teaching-learning process.

Workshops and conferences are organized to expose the students to the latest developments in the field and provide a platform to interact with the best minds of various disciplines.

The departments and institute have collaboration with various research labs and institutes of India and abroad for carrying out research and development in frontier areas.
Department of Civil Engineering

**VISION**
To develop young civil engineering professionals with active and creative mind who can contribute to the building of the society and nation.

**MISSION**
- To develop the department as the best resource house for efficient and updated learning experience of students.
- To promote efficient professionals with excellent knowledge and skills in Civil Engineering.
- To impart value education, quality training and to provide hands on learning experience

**DEPARTMENTAL OBJECTIVES**
- To establish a national level department of excellence
- To enhance Industry-Institute interactions through collaborative projects
- To establish professional collaboration in academics and research with universities and research institutes of international repute

**PROGRAMME EDUCATIONAL OBJECTIVES FOR B.TECH**
- To empower students with skills and employability to solve real life problems.
- To sensitize students towards social issues and to introduce them to professional ethics and practices.
- To enhance technical skills and enthusiasm among students to carry out higher studies and research.
- To develop human potential to its fullest extent so that intellectually capable and imaginatively gifted leaders and entrepreneurs can emerge.
1.5.1 Civil Engineering

The department was established in 2009 and offers B Tech and PhD programme.

B Tech Minor Specializations

- Natural Hazard and Disaster Management
- Earthquake Resistant Structures

Research and Development

Active research in frontier areas of Civil Engineering such as water resources, water scarcity and drought, climate-change impacts on water resources, earthquake-resistant structural design etc.

Sponsored research projects from Govt. of India and Govt. of Sikkim

Consultancy projects from Govt. of Sikkim and industries

Good number of publications in reputed international journals

Laboratories

Material Testing, Advanced Fluid Mechanics, Geology, Soil-Geotechnical, Survey, Environmental Engineering, Computational

“Having studied in SMIT for 4 years has developed me into a skilled professional to take up the challenges of the outside world with my knowledge and skills.”

Ayushmita Choudhury
(2015 batch)

“SMIT has provided me the best faculties, well equipped labs that have always provided me the correct guidance and showed me the path for success. Thank you SMIT for what I am today”

Sreejita Biswas
(2010 batch)
MS in USA

“It was a great time I spent in SMIT. The relationship between faculties & students is very cordial and campus environment is very positive.”

Subir Roy
(2010 batch)
Assistant Engineer
Govt. of WB
Student Activity

Organization of annual departmental techno-cultural fest – CELESTUS and other student related activities

Workshop

Workshops are organized regularly, aiming practical training on various aspects of Civil Engineering such as Bridge Design, Seismic & Toll Building Design...

Achievements (Faculty/Department)

Resource persons in various committees of Government organizations & academic institutions

Impart training to Govt. engineers of Sikkim on RVS and Earthquake resistant features of buildings

As experts in faculty selection committees of various institutions

Reviewer of prestigious international journals published by Springer, Elsevier...

The department has been chosen as State Technical Agency by National Rural Road Development Authority, Govt. of India

Students and Alumni

Pursuing higher studies abroad
Placement in reputed companies in India and abroad
As faculty members in foreign universities
Department of Computer Science and Engineering

VISION
To be among the nation’s premiere research and teaching departments in Computer Science & Engineering.

MISSION
- Empower students to be successful, effective problem solvers, lifelong learners, ethical and positive contributors towards social and economic upliftment of the nation.
- Create, share and apply the knowledge acquired in Computer Science and interdisciplinary areas to benefit humanity.

DEPARTMENTAL OBJECTIVES
- To meet the industry needs of the country by building technological base in Computer Science & Engineering through analysis, design and development of scalable computing models.
- To pursue research in specialized areas by conceptualizing and understanding challenging projects, identifying new trends and evaluate emerging technologies.
- To nurture and develop highly skilled and innovative individuals with strong moral, ethical and professional values.

PROGRAMME EDUCATIONAL OBJECTIVES FOR B.TECH
- Computer graduates will apply their technical knowhow to succeed in whichever field they want to pursue keeping abreast of the ever-changing technology.
- Our graduates should be able to set up various entrepreneurship ventures which in turn will facilitate employability.
- Our graduates will apply the best practices of computation based on mathematics and science to address customized projects and ensure productivity in research.
- Our graduates will demonstrate a sense of societal and ethical responsibility in their professional endeavours and should be able to make an informed choice for the furtherance of the society.
- Our graduates will exhibit impromptu and impeccable communication skills with the potential of working as a team with cognitive empathy.

PROGRAMME EDUCATIONAL OBJECTIVES FOR M.TECH
- To make our students efficient and effective problem solvers.
- To introduce them to active research.
- To enable them to be effective communicators.
1.5.2 Computer Science & Engineering

The department was established in 1997 and offers BTech, MTech and PhD programme.

B Tech Minor Specializations

- Data Science
- Artificial Intelligence
- Internet of Things
- Cyber Security

Research and Development

A good number of research projects funded by AICTE, ISRO, DST, INSA, NEC

Regular publication in journals and conferences

“College is not just a place from where we graduate. But the place where we explore different aspects and reach our highest potential. It helps us carve ourselves to the best version of ours. And SMIT and its entire staff indeed has helped me find my best version.”

Priyanka Das
(2017 batch)
Software Engineer,
Amazon India

“In a nutshell, life at SMIT can be said as a never forgetting experience which builds in us something worth for a lifetime. The faculty is very supportive and it gives us plenty of chances to grow and learn and showcase our talent.”

Kunal Agarwal
(2018 batch)
Software Development Engineer,
Amazon Development Centre

“SMIT has taught me the skill of balancing my college work, labs, studying, a social life, and the challenges of living on your own. In addition it reaffirmed my curiosity to learn more and helped me develop as a responsible individual.”

Ravi Tejaswina
(2021 batch)
Dell
Laboratories

Student Activity

Cultural/Tech fest

ACCESS (All Core Computer Engineering Students Society) organizes Annual Intra College Techno - Cultural Fest VAASTUSASMITAM

Societal responsibility

Handling social responsibilities through Swachh Bharat Mission, Mission Education and Blood Donation Camps

Conferences/Workshop

International Conference on Advanced Computational and Communication Paradigms (ICACCP-2017, 2019)

Students Achievements

Students have performed well in CAT/MAT, GATE, GRE, TOEFL and IELTS, and are pursuing higher studies in reputed institutes of India and abroad.

Students have been placed in reputed companies like Microsoft, Dell, Amazon, Boston Scientific, Medtronic, Shell, MuSigma, Bosch, Well Fargo, Infosys, TCS, Wipro, Ericsson, Capgemini, Cognizant, Keysight, Nomura, Byjus, Idemia, and many more.
Department of Electrical and Electronics Engineering

VISION
To produce technically efficient engineering graduates with human values and professional ethics capable of performing in rapidly changing fields of electrical and electronics engineering by providing outcome based education and research.

MISSION
• To develop Electrical and Electronics Engineering Department into a department of excellence, capable of producing competent Electrical and Electronics Engineers who can contribute to the advancement of the society.
• The department is dedicated to endow students with the knowledge, technical skills, and values to prepare them and excel as engineers and leaders in their profession.
• The department is also committed to induce spark in students for life-long learning and to become good citizens.

DEPARTMENTAL OBJECTIVES
Electrical and Electronics Engineering Department has as its objectives to:
• Create Electrical and Electronics Engineering graduates required as manpower in the industry, research organization, educational institutions, and government organizations.
• Provide required infrastructure in the electrical and electronics engineering skills developments, in the form of adequate class rooms, well equipped laboratory and research facilities.
• Teach the students with outcome based education and train them with advanced teaching methodology to make them sound electrical engineers with high level of ethical values.

PROGRAMME EDUCATIONAL OBJECTIVES FOR B.TECH
• To produce students with technical efficiency for tackling the changing demands of industrial, research and academic needs.
• Motivate students to apply for higher education and research.
• To encourage students and provide requisite opportunities to establish and lead the organization.
• To induce professional ethics among the future graduates for contributing in the development of nation.

PROGRAMME EDUCATIONAL OBJECTIVES FOR M.TECH
• Motivate students to initiate quality research in the fields of Electrical and Electronics engineering.
• Encourage students to pursue higher education.
• To encourage students to establish and lead their own organization.
• To induce professional ethics among the future post graduates for contributing in the development of nation.
1.5.3 Electrical & Electronics Engineering

The department was established in 1997 and offers the following programs:

BTech, MTech and PhD programme.

**B Tech Minor Specializations**

- Electric Drive Vehicle Engineering
- Power and Energy System

**Research Activities**

*Active research is carried out by faculty members and students*

Research is carried in the frontier areas of the field like Biomedical Applications; Renewable Energy; Energy Technology & Management; Modelling & Optimization of Various Electrical/Electronic Smart Devices

Research projects funding agencies - **AICTE, MNRE, SERB**

**Laboratories**

Power System; Electrical Machines; Electrical Circuits and Simulation; Electrical Drives; Power Electronics; Control Systems; Analog System Design; Electrical Measurement; Advance Programming; Microprocessor, Microcontroller & Embedded System

“Faculty Members of the EEE Department are very helpful and approachable. The Department encourages the student to do better in all fields, be it academics, sports and other co-curricular activities.”

Major Ankur Singh, SM (2012 batch)

“Sena Medal”, 2020

“Academically, Socially, spiritually, professionally and otherwise, I have grown through my SMIT experiences at EEE Department.”

Kunal Munshi (2008 batch)
Founder, Sunrator Technologies, India

“EEE Department is where creativity is amplified to generate ideas that can wonder the technical world.”

Mr. Deborshi Das (2012 batch)
Electro Technical Officer in Greatship Global Offshore
Student Activity

SEED the student society conducts various events like Ankurit (Annual Techno-cultural fest), social welfare programs like a school for the underprivileged students of the nearby villages, Swachh Bharat Abhiyan ....

Participation in various intra-college and inter-college competitions.

Conference/ Seminar/ Workshop organized

Seminar on Microgrid; Date: 16th of November, 2019
Resource person: Prof. (Dr.) Debapriya Das, Department of Electrical Engineering, IIT Kharagpur.

Seminar on Microgrids: Review, Challenges, and Research; Date: 11th February 2020
Resource person: Dr. Kuntal Mandal, Assistant Professor, NIT Sikkim

Workshop on PLC Programming and SCADA interface; Date: from 25th to 26th February, 2020
Resource person: Mr. Dil Bahadur Tamang from ATTC Bardang

Student activities in the Department

Industrial visit to NHPC, Teesta V, Singtam, Sikkim ; Date: 30th January 2020
NO PLASTIC DRIVE; Date: 26th January 2020
Awareness campaign within the SMIT campus to prevent the use of plastic; Date: 22nd September, 2019
SEED School ; Started on 23rd September, 2019
Unveiling of Department Wall Magazine "Dishari"; Date: 10th February, 2020
Old clothes and newspaper collection drive for organizing blood donation camp; Date: 24th February, 2019
Department of Electronics and Communication Engineering

VISION
To achieve eminence in the field of quality techno-logical education and research in Communication, Remote Sensing, VLSI & Embedded System and other Electronics related fields.

MISSION
To develop into a department of excellence capable of producing competent techno-managers who can contribute effectively to the advancement of the society.

DEPARTMENTAL OBJECTIVES
- To prepare students to identify, formulate and solve real life and industrial problems with their knowledge of electronics and communication engineering.
- To develop techno-managerial ability to execute assigned responsibilities.
- To provide the guidance to develop moral and ethical attitudes.
- To provide education to adopt novel technologies towards the betterment of human life and society.

PROGRAMME EDUCATIONAL OBJECTIVES FOR B.TECH
- To equip students with technical and soft skills for better professional carrier opportunities.
- To provide an environment that motivates students to pursue higher studies and research activities.
- To inculcate professional and ethical attitude, team spirit, leadership qualities and effective communication skills in students to make them mindful of their social obligations.
- To utilize their knowledge, skills and resources to become entrepreneur.

PROGRAMME EDUCATIONAL OBJECTIVES FOR M.TECH
- To prepare students to identify, formulate and solve real life and industrial problems with their knowledge of electronics and communication engineering.
- To provide an environment that motivates students to pursue research activities in the field of electronics and communication engineering.
- To equip students with the skills for better professional carrier opportunities.
- To provide the guidance to develop moral and ethical attitudes.
1.5.4 Electronics & Communication Engineering

The department was established in 1997 and offers BTech, MTech and PhD programme.

B Tech Minor Specializations

- VLSI & Nanotechnology
- Internet of Things (IOT)
- Signal Processing

Research and Development

Funding of research projects from govt. agencies like DRDO, Bose Institute, DRDL & AICTE, ISRO

Active research in frontier areas:

Digital RADAR for Remote Sensing and characterization of Missiles and Light combat aircraft, 5G_IoT

Remote Environment sensing for precursor of earthquake

VLSI Device and Nano Technology

Speech Processing

Antennas

Regular publications in journals and conferences.

“Department is where creativity is amplified to generate ideas that can wonder the technical world”.

Pushpak Chakraborty
(2012 batch)
Product Manager,
Edureka

“Socially, academically, spiritually, professionally and otherwise, I have grown through my SMIT experiences.”

Akriti Sanvi
(2012 batch)
Senior Product Analyst,
American Express

“Faculty Members of the Dept. are very helpful and approachable. The Dept. encourages the student to do better in all fields, be it academics, sports and other co-curricular activities.”

Dimple Das
(2016 batch)
Intern,
Ericsson India
Laboratories

Digital Electronics; Microprocessor; VLSI / Embedded System, Analog Electronics / Electronic Device; Basic Communication; Advanced Communication; Microwave; DSP / SCS; Advanced DSP; DRDO/M.Tech Labs – Project and Research lab; Object Oriented Programming Lab.

Students Activity

ECSA (Student Society) regularly conducts workshops in various topics for the students

ECSA organizes techno-cultural fest “Echelon”

Social Campaigns

ECSA conducts various social drives to financially support local school. It also engages in environmental protection and maintenance drive like tree plantation drive and cleanliness campaign

Conferences/Workshop

Annual “International Conference on Communication, Devices and Networking” (ICCDN), 19th-20th December, 2020 is organized successfully. Speakers from IITs, NITs, other reputed National and foreign universities participate in the Conference.

Students’ Achievements:

A. Several students clear CAT, GATE, GRE, TOEFEL and pursue higher education from IIMs, IITs, IISc and reputed International universities.

B. Several students have already stabilized their startups.
Department of Information Technology

**VISION**
To become a front-runner in preparing students equipped with attributes like efficient problem solvers, innovators, researchers and entrepreneurs, and in making them academia and industry ready.

**MISSION**
- To offer high-quality undergraduate program namely Bachelor of Technology in Information Technology incorporating latest developments in the area of Information and Communication Technology into the curriculum, along with doctoral program.
- To produce competent technocrats and researchers in order to meet the human resource needs of industries, government sectors, and the society as a whole.
- To offer a conducive academic environment to the students where creativity flourishes.
- To teach students how to think in order to become an efficient problem solver.

**DEPARTMENTAL OBJECTIVES**
- To provide students with a strong foundation in mathematical, scientific and engineering fundamentals required to develop problem solving ability.
- To prepare students for a successful career with effective communication skills, teamwork skills, and a strong value system that meets the diversified needs of industries and academia.
- To train students in comprehending, analysing, designing, and creating novel products and technologies that provide solution frameworks to the real world problems.
- To promote awareness among students towards issues of social relevance and introduce them to professional ethics and practice.
- To inculcate in students, the ability to gain multidisciplinary knowledge through projects and industrial training.
- To inculcate in students, the qualities of leadership for technology innovation and entrepreneurship.

**PROGRAMME EDUCATIONAL OBJECTIVES FOR BACHELOR OF TECHNOLOGY**
- To improve the employability of students and prepare them for better employment.
- To motivate students for higher education and research.
- To encourage students for becoming future entrepreneur and provide them an ecosystem for the same.
- To inculcate professional ethics in students and prepare them to become professionals driven by value system.
1.5.5 Information Technology

The department was established in 1999 and offers engineering program with various minor specializations. The department also offers doctoral program.

B Tech Minor Specializations

- Artificial Intelligence and Machine learning
- Cloud Computing
- Cyber Security
- Management Information Systems (MIS)

Research and Development

Funding from govt. agencies like AICTE and DeitY.

Regular publications in Journals and Conferences….

Laboratories

Basic Computing, Data Communication, Soft Computing, Artificial Intelligence, Distributed Systems, and RFID & Smart Card.

“The campus has an excellent infrastructure and is a perfect blend of nature and student friendly amenities. A Big Thank-you to all my faculty members and friends for this amazing journey.”

Amit Kr. Pandey
(2005 batch)
AT&T, Bengaluru

“The faculty members are very encouraging and supportive, they made learning easy and fun. The training and placement cell continuously strives for 100% placement for our college students.”

Veethika Sinha
(2008 batch)
TCS, Noida

“A better human being, a better developer and a dream to achieve something big is all, I hoped for…. I am delighted to say that the faculties and the staff of Information Technology has helped me to achieve these dreams.”

Vishal Tiwari
(2015 batch)
Amazon, India
Student Activity

**Societal responsibility** - Various awareness social drives are carried out under the banner of SAMAJ and FORUM 2K.

**Cultural/Tech fest -** FORUM 2K periodically organizes techno and cultural functions.

Conferences/Workshop

- Second National Conference on Communication, Cloud, and Big Data (CCB) during Nov 10-11, 2016 (Publication Partner: Springer Nature)
- “4th ISI Workshop for the North-Eastern Region on Pattern Analysis & Applications” in collaboration with Computer Vision and Pattern Recognition (CVPR) Unit, Indian Statistical Institute (ISI) Kolkata, 6-10 Feb., 2017
- Third National Conference on Communication, Cloud, and Big Data (CCB) during Nov 2-3, 2018 (Publication Partner: Springer Nature)
- Seminar on Current Research and Industry Trends in Robotics Nov 5, 2018
- Workshop on Cyber Security on April 22, 2019
- National Seminar on Applications of Geographic Information Systems & QGIS on Dec 4, 2020
- First International Conference on Communication, Cloud, and Big Data (CCB) during Dec 18-19, 2020 (Publication Partner: Springer Nature)

Achievements

**NASSCOM Dewang Mehta Excellence Award**, 2016 to Mr. Saurabh Shresth, a 4th year student of B Tech (IT)

Afterglow Pvt Ltd a company registered under SMUTBI-SMIT has been selected amongst the prestigious Elevate 100, as one of the most promising startups, amongst 1800 companies by the Government of Karnataka in 2017

Department was selected and sponsored by the Government of India to offer Diploma in e-Governance (DeG). It is a platform to train mid-level government officers serving in North Eastern region of India.
VISION
To establish the department as the centre for innovation and excellence.

MISSION
To produce technically competent graduates with a flair for research and entrepreneurship.

DEPARTMENTAL OBJECTIVES
- To provide an opportunity to excel in the mechanical engineering domain through unmatched guidance, teaching, updated curriculum, and training that meets the future demand of the country.
- To incorporate education, learning and research in an effort to gain the latest knowledge and successfully apply the acquired skills.
- To develop and promote professional and academic endeavours driven by the needs of the industry.
- To enhance and continue the interactions and research collaborations with other organizations.

PROGRAMME EDUCATIONAL OBJECTIVES FOR B.TECH
- To excel in industries, technological fields and professional/personal career
- To develop ability to apply mathematical, scientific and engineering concept to solve real life industrial problems.
- To develop engineering analytical skills in analysing, designing and developing useful novel products related to mechanical engineering
- To develop effective communication skills, multidisciplinary approach, excellent teamwork spirit and ability to lead the team
- To exhibit professionalism with high moral, social and ethical values
- To provide strong foundation of mechanical engineering for higher education and research
1.5.6 Mechanical Engineering

The department was established in 1997 and offers B Tech and PhD programme.

B Tech Minor Specializations

- Automotive Engineering
- Robotics & Automation
- Machine Design

Research and Development

Funding of research projects by govt. agencies - AICTE, NIF, RuTAG-NE (IIT Guwahati), DST

Active research in frontier areas - Non-traditional Machining; Micro-machining; Conventional machining of advanced materials; Production management and optimization; Energy planning and management; Renewable energy; Advances in composite materials; Tribology

Quality publications in journals and conferences...

Laboratories

Basic workshop, Machine shop, Strength of Materials, Thermal Engineering - I & II, Metrology, Machine Dynamics, CAD/CAM, Energy system, Automobile, Advanced Machining, Computational, Post Graduate Research

“Those four years in my ME Dept., SMIT was really wonderful. All other places prepare engineer but I can tell that my department teachers made us strong and better person along with being trained as an engineer.”

Pinaki Bhattacharjee  
(2004 batch)  
M.N Dastur & Co (P) Ltd

“A good branch to study here. Teachers are knowledgeable and cooperative. Labs are well equipped with every machine and machine tools. Syllabus is designed as per GATE exam and industrial requirements.”

Mohit Hota  
(2011 batch)  
Cameron, A Schlumberger Company

“Department has great supportive teachers and has a good environment to stay and learn.”

Sushant Kumar Jha  
(2012 batch)  
IRSME(P)-2017
Student Activity

Societal responsibility - Organizing free medical health checkup camp in association with Red Cross Society and CR Hospital; Supporting primary school with teaching aids

Cultural/Tech fest - MEDUSA organizes various techno and cultural activities

Participation in International Association for the Exchange of Students for Technical experience (IAESTE)

Allen Mathew Thomas – 7th Semester (went to Vietnam), 2017

Vishal Choudhury – 7th Semester (went to Turkey), 2017

Society of Automotive Engineering (SAE)

Organizing various technical events to promote students in the field of Automobile Engineering

Participation in various national and international events like Formula car racing, Go-Kart competition etc

Conferences/Workshop organized

National workshop on “Recent advancement of Renewable energy and Material Science” (RAREMS-2019), 8th December, 2019 in collaboration with Institution of Engineers, Sikkim State Chapter, India.

Achievements

Smart wheel chair won 2nd position in inter college major project competition

SMIT Mechanical Engineering students fabricated the first ever formula car in the state Sikkim

Sushant Kumar Jha, B Tech graduate of 2015 has cleared UPSC IES 2017 exam with AIR 16

Number of students have qualified in CAT & GATE and pursuing higher studies in reputed institutes of India
Department of Management Studies

Vision
To develop Department of Management Studies as a centre of excellence in management education through quality education, training, research, innovation which will eventually nurture employability and entrepreneurship.

Mission
• To bridge the gap between theory and practice in the knowledge economy.
• To develop knowledgeable leaders with high degree of integrity and ethics.
• To undertake research and innovation for catering to the emerging societal needs.

Departmental Objectives
• To provide wholesome education to meet the intellectual aspirations of students
• To equip students with techno-managerial skills to enable them to take their assigned role in the industry
• To inculcate essential ethics and values to meet the spiritual needs of the students
• To provide a sound institutional environment nurturing emotional strength, a healthy mind, body and resilience amongst the students.

Programme Educational Objectives for BBA
• Graduates will be able to make decision and apply suitable quantitative and qualitative methods in unravelling business problem.
• Graduates will have a foundation to pursue professional careers and take up higher education.
• Graduates will be able to acquire core business knowledge.
• Graduates will be able to comprehend global perspectives of business.
• Graduates will be able to initiate entrepreneurial ventures.
• Graduates will be able to incorporate social and ethical aspects in business.

Programme Educational Objectives for MBA
• The management graduates of the department should be able to inculcate life-long learning, to solve the dynamic business problems and to enhance decision making capabilities.
• The management graduates of the department should be able to communicate, solve problems, work collaboratively with the stakeholders of the organization.
• The management graduates of the department should be able to perform the multi-disciplinary and challenging tasks of the corporate world with highest standards of ethics and integrity.
• The management graduates of the department should be able to nurture the spirit of innovation, creativity, leadership and entrepreneurship.
1.5.7 Department of Management Studies

The department was established in 2000 and offers BBA, MBA & PhD programme.

Research and Development

Pharmaceutical Marketing and Consumer Behavior, Capital Market, Financial Services, Automobile Brand Perception, Digital Marketing etc.

Funding of Research Project - AICTE

Active research in various fields of management

Student Activity

Workshops / Industry visit to the manufacturing and service sector for students is regularly conducted.

Societal responsibilities like plantation drive, health drive, environmental protection, visit to old age homes and orphanages are conducted.

Conferences/Workshops

National Level Training cum Certification Symposium on “Campus to Corporate” in association with Makeintern & Echoes (IIM Kozhikode Event) from 11th to 13th November, 2019.

Motivational Talk on “Feed Your Mind with Success” on 27th January, 2020.

A comprehensive online live session on “Paradigm Shift in Education System Post-Covid Era” on 1st August, 2020.

Student Achievements

Won prizes in competitions like Business Plan, State level Taekwondo Competition, Table Tennis, Drama and Quiz, Weightlifting.

“The professional exposure that SMIT provided me has stuck by me for life. It has provided me a lot of panache to conduct myself in the banking sector.”

Subhana Rahman
(2012 Batch)
Branch Manager,
Central Bank of India, Guwahati

“SMIT not only provides an excellent and beautiful campus for healthy learning, but also provides the best foreign internships to various countries to add up to the professional exposure it has to offer.”

Pranesh Chettri
(2020 Batch)

“My Journey at SMIT was truly amazing and I am going to cherish it lifelong. Despite belonging to Nepal, I always had a homely feeling at SMIT. Thank You SMIT for changing my perspective towards life in a better way.”

Asthana Dahal
(2020 Batch)
Department of Computer Application

VISION

The department attempts to be recognized for outstanding education leading to computer application professionals who can contribute to the society and the nation.

MISSION

- To impart value education, quality training and provide hands on learning experience.
- To develop the department as the best resource house for the rewarding learning experience of student.
- To assure constant improvement in quality of education and research in computer applications.

DEPARTMENTAL OBJECTIVES

- To develop academically competent and motivated graduates who can excel in their career, inculcate entrepreneurial skills or grow academically.
- To acquire necessary knowledge and skills that enable students to take up technological and professional challenges.
- To impart knowledge required by the students for development of IT solutions and formulation of solutions that solve modern-day real-world problems.
- To promote ethical values that students would exhibit both professionally and socially.

PROGRAMME EDUCATIONAL OBJECTIVES FOR BCA

- BCA graduates will apply knowledge and skills acquired with competence, credibility and communication.
- BCA graduates will be encouraged for higher studies, research activities and entrepreneurial skills.
- BCA graduates will exhibit professionalism by inculcating technical skills and ethical values.

PROGRAMME EDUCATIONAL OBJECTIVES FOR MCA

- MCA graduates will have successful career based on their understanding of formal and practical methods of applications development using the concepts of Computer Programming, Software and Design Principles.
- MCA graduates will be prepared for pursuing higher studies in their related field.
- MCA graduates will demonstrate analytical and design skills including the ability to generate creative solutions and foster team-oriented professionalism.
- MCA graduates will exhibit effective work ethics and be able to adapt to the challenges of dynamic professional environment.
1.5.8 Department of Computer Application

The department was established in 2001 and offers BCA, MCA & PhD program.

Research and Development

Research projects funded by AICTE and other agencies
Active research in frontier areas
Regular publications in conferences and reputed journals

Student Activity

Societal responsibility (Computer Application Student Society ‘CASS’)
Organizing Blood Donation Camps, supporting underprivileged children
Organizing workshop on DBMS, HTML, JAVA, Networking using CISCO Packet Tracer for the school children
Cultural/Tech fest
Workshop in collaboration with IIT Hyderabad (BrainTEch)

Conferences/Workshop

“I grasped not only a firmer grip on the said domain of academics but also developed a fond attachment to all that constitutes the institution; the amazing teachers, fellow students and friend and the tranquil evenings after a hectic day of classes.”

Paul Lyngdoh
(2015 Batch)

“The relationship between faculties and student is very cordial, which gave me an opportunity to excel in my career and energy to move forward in my life. The five years in SMIT were splendid and has helped me to grow better professionally “

Manoj Upadhyay
(2014 batch)

“SMIT was a place that transformed me into a successful programmer with confidence to tackle any challenge in the world. The days in SMIT till today are the best days of my life.”

Bhaswar Dutta
(2003 Batch)
Department of Chemistry

VISION
To emerge as a centre of excellence in teaching and research.

MISSION
To equip the students with latest knowledge in science and technology such as to contribute as valuable members of society.

DEPARTMENTAL OBJECTIVES
- To provide quality teaching and research
- Inculcate societal responsibility in the students
- To provide hands on experience in terms of latest developments in the different field of chemistry.

PROGRAMME EDUCATIONAL OBJECTIVES FOR M.SC
- To motivate and prepare post graduate students through effective coaching for higher education and research.
- To impart education and training to the students for better employment.
1.5.9 Chemistry

The department was established in 1997, offers MSc, PhD and supports B Tech program.

Research and Development

Two patents:

i) potential anticancer drug
ii) Cadmium sensor

Research in frontier areas of chemistry
Good number of publications in reputed journals and conferences

Conferences/Workshop

Achievements

Qualifying competitive exams like NET/GATE
Doctoral studies in India and abroad
Placement in companies abroad
Post Doctoral Fellows in various countries

“I am very grateful to all the teachers of the department who have put in their best to nurture and mould students to their best.”
Anusha Pradhan
(2012 batch)
PhD Student
Kyushu Institute of Technology, Japan.

“At the core of our department is a very supportive faculty talking about the concept of education and learning. They emphasise mentorship and guidance to their students. The Department is a house full of opportunities and SMIT has helped pave a path for that opportunity.”
Norchenla Dolkar Namka
(2017 batch)

“My two year M.Sc. program at SMIT has helped me to meet my career goals. The department and teachers have provided me the opportunity to grow and enrich my knowledge as well as develop my personality. The education and experience I received at SMIT is invaluable to me.”
Divya Rajan
(2007 batch)
Process Engineer,
Intel Corporation
Oregon, USA
VISION
To become a dynamic and an inclusive Centre of excellence in teaching, learning and research in Physical Sciences.

MISSION
• To impart high scientific temperament, academic excellence and contemporary research exposure in Physics.
• To produce high quality physicists who can contribute to the development of science and technology and meet the present challenges and demands of the society.
• To help the students to develop critical and creative thinking and problem solving skills.
• To build an academically vibrant environment for learning and exchange of ideas and knowledge.

DEPARTMENTAL OBJECTIVES
• To impart in-depth knowledge to the students to help them achieve academic excellence and overall developments to meet the global standards.
• To create an environment of active learning and effective communication and enable the students to acquire the recent advances of Physics.
• To provide opportunities that will enhance the level of participation in research, dissemination and preservation of knowledge for both academic and social development.

PROGRAMME EDUCATIONAL OBJECTIVES FOR M.SC
• Educate the students to understand the metamorphic power of physical principles of the universe in solving scientific problems, experiments and technological development.
• To help the students to develop critical and creative thinking and problem solving skills.
• Guide the students for careers in physics and in the physical sciences at large.
• To train students to be competent to face the academic challenges with a lifelong learning perspective and contribute to the development of the society.
1.5.10 Physics

The department was established in 1997, offers MSc, PhD and supports B Tech program.

R&D

Research in frontier areas of physics
Good number of publications in reputed journals and conferences

Student Activity

Societal responsibility
Active participation in Clean & Green Campus project, Digital India drive.

Achievements

Qualifying competitive exams like NET/GATE
Doctoral studies in India and abroad
Mr. Umesh Dhakal, pass out student has cleared CSIR UGC-NET 2017 exam with AIR 13
Placement in companies abroad
Post Doctoral Fellows in various countries

“I am thankful to SMU for excellent academic environment during my masters at SMU and providing support to clear national level examinations which helped me to become a scientist at ISRO.”
Bijoy Raha
(2005 batch)
Scientist, ISRO

“SMU has given the platform to pursue my dream. I am a proud alumni of SMU.”
Shibabrata Basak,
(2005 batch)
Research Scientist, Germany

“My experiences at SMU was like exploring a new world. It provided me a bridge to achieve success and my life took a new turn. The inspiration and motivation I received from the department of Physics were priceless.”
Jaya Maji,
(2004 batch)

RPM College,
University of Calcutta.
Department of Mathematics

VISION
Emerge as a center of excellence in Mathematics and its technological applications.

MISSION
- To train students in fundamental and applied Mathematics so as to emerge as competent professionals in diverse fields.
- To provide an environment where students can enjoy mathematics, and understand its use in interdisciplinary fields.
- To inculcate the spirit of research and its importance among students through innovative teaching and research methodologies.
- To cater to the development of the nation, through innovative research, training activities and quality education.

DEPARTMENTAL OBJECTIVES
- To enhance the logical and analytical thinking capability of students through various well designed problems.
- Equip the students with mathematical skills to solve the cutting edge problems.
- To conduct research in frontier areas of Mathematics.

PROGRAMME EDUCATIONAL OBJECTIVES FOR M.SC
- To provide employability skills.
- To motivate for higher studies and research.
- To inculcate leadership and entrepreneurship skills.
- To inculcate value system and create awareness towards nation building.
1.5.11 Mathematics

The department was established in 1997, offers MSc, PhD and supports B Tech program.

Research and Development

- Funding of sponsored research projects from government agencies
- Active research in frontier areas of science and technology
- Good number of publications in reputed journals and conferences

Conferences/Workshop

- "National workshop on Matrices and Graphs", January 2 - 7, 2017
- "National conference on Linear Algebra and its Application", 9 -10 January, 2017

Achievements (Faculty)

- Experts in faculty selection committees of various institutions
- Editor and Reviewer of various prestigious journals

“I joined SMIT in 2003, which was one of my best decisions, I ever made in my life. The time spent in SMIT was instrumental in shaping my career.”

Kshittiz Chettri
(2003 batch)
Assistant Professor,
Sikkim Govt. College

“I was extremely lucky to get a chance to be a part of SMIT. It was a life changing moment for me. SMIT was the ideal place for me to focus on my studies and think about my career.”

Symphony Chakraborty
(2007 batch)
National Taipei University of Technology, Taiwan.

“SMIT has been a very wonderful experience for me. To study here was the best decision ever. I have completed my M.Sc. from SMIT and now I am currently a full time Ph.D. scholar in Dept. of Mathematics, SMIT.”

**NOTE:** Candidates from Nepal, Bhutan, Bangladesh and other SAARC countries are also eligible to appear in SMIT Online Test. If selected, the admission will be given under General Category and a scholarship as applicable.

1.6.2 Lateral Entry in B Tech

Duration: 3 years (Six Semesters)

*Eligibility:*

Three years’ diploma in appropriate branch of engineering (≥ 60 % for General, ≥ 55 % for SC/ST/OBC)

OR

B.Sc with Mathematics as one of the subjects, (≥ 60 % for General, ≥ 55 % for SC/ST/OBC)

**Admission of Students from Other Universities**

Admission in second year of engineering (III Semester) on transfer basis is permitted subject to fulfillment of University norms and availability of seats.

Candidates should contact Chairman, Admission along with mark sheet/Grade Card and No Objection Certificate (NOC) from the institute last attended.

1.6.3 Bachelor of Business Administration (BBA)

Duration: 3 years (Six Semesters)

*Eligibility:*

Candidates should have passed (10+2) Examination (≥ 50 % for General, ≥ 45 % for SC/ST/OBC)

1.6.4 Bachelor of Computer Application (BCA)

Duration: 3 years (Six Semesters)

*Eligibility:*

Candidates should have passed (10+2) Examination (≥ 50 % for General, ≥ 45 % for SC/ST/OBC)
1.6.5 B.Sc. IT

Duration: 3 years (Six Semesters)

Eligibility:

Candidates should have passed (10+2) Examination (≥ 50 % for General, ≥ 45 % for SC/ST/OBC)

1.6.6 M.Tech Programme

Duration: 2 years (Four Semesters)

Eligibility:

Bachelor degree in relevant branch of Engineering (≥ 55 % for General, ≥ 50 % for SC/ST/OBC)

M.Sc. in Electronics/Computer Science/Physics/Mathematics/Statistics/ MCA are also eligible for M Tech (CSE)

Entrance Exam – GATE / SMIT Entrance Examination

Sponsored candidates may also apply.

Note: Teaching assistantships are awarded to deserving candidates.

1.6.7 Master of Business Administration (MBA)

Duration: 2 years (Four Semesters)

Note: Other than Marketing, Second Specialization will be offered subject to minimum strength of 10 students per specialization.

Eligibility:

Graduate (≥ 50 % for General, ≥ 45 % for SC/ST/OBC) in any discipline.

Candidates appearing in Management Aptitude Test (MAT)/Combined Aptitude Test (CAT/GMAT) / Common Management Admission Test (CMAT)

OR

Entrance exam conducted by SMIT followed by GD and PI
1.6.8 Master of Computer Application (MCA)

Duration: 2 years (Four Semesters)

*Eligibility:*

Passed BCA/Bachelor Degree in Computer Science & Engineering or equivalent degree.

Or

Passed B.Sc./ B.Com/ B.A. with Mathematics at 10+2 level or at Graduation level (with additional bridge courses as per the norms of the University).

Obtained atleast 50% marks (45% marks in case of candidate belonging to Reserved category) in the qualifying examination.

Entrance Examination conducted by SMIT

1.6.9 M.Sc. IT

Duration: 2 years (Four Semesters)

*Eligibility:*

BCA / B.Sc. Computer Science (Gen and Hons.) / B.Sc. (IT) with Mathematics in 10+2 level

Bachelor's degree in any discipline with Mathematics/ Statistics as one of the subjects at 10+2 level or Graduation

(≥ 50 % for General, ≥ 45 % for SC/ST/OBC) in the qualifying examination

1.6.10 M.Sc. (Physics/Chemistry/Mathematics)

Duration: 2 years (Four Semesters)

*Eligibility:*

B.Sc (Gen / Hons) in the relevant subject

Note: Candidates from Bhutan, Nepal, Bangladesh and other SAARC countries are also eligible to apply for the courses offered by SMIT. If they are selected on the basis of merit, the admission will be given under general category.
1.7 Infrastructure/Facilities

Hostel Facilities

1.11 Achievements

- Establishment of Atal Incubation Centre (AIC) has been sanctioned to SMIT under Atal Innovation Mission, by NITI Aayog, Govt of India with the grant of Rs 8 Crores. This provides a platform to the young innovators to translate their ideas into products and development of enterprises. AIC –SMU-TBI is the first incubator of NITI Aayog in Eastern India.
- A multi-crore project for development of latest radar system in collaboration with DRDO Hyderabad has been successfully completed and tested.
- Afterglow Tech (OPC) Pvt. Ltd., the startup company was selected as one of the most promising startups from 1800 companies across India at ELEVATE 100, organized by the Government of Karnataka. The company will be receiving grants of up to Rs. 35 Crores as part of the initiative.
- SMIT takes pride in being selected by the Government of India, as a center for the whole North East region to offer Diploma in e-Governance targeting mid level government officials of North East region.

1.12 International Collaboration

SMIT has signed MOUs for international collaboration for promoting academics and research with

I. Baekseok University (BU), Republic of Korea
II. AUREL VLAICU University of Arad, Romania
III. Jan Wyżykowski University, Poland
IV. Firma POLKOWSKI, CompExpert, Polkowice, Poland
V. College of Electrical Engineering and Computer Science (National Taipei University of Technology ), Taiwan

1.13 Recent Developments

i. High performance supercomputing facility – Param Shavak in collaboration with C – DAC, Pune has been established in Research & Development centre of SMIT.

ii. A MoU has been signed with The International Association for the exchange of students for Technical Experience (IAESTE) for short term internship/projects.
1.14 Training & Placement

Training & Placement (T&P) Cell is the hub of all interaction between the Corporate, Industries, and Academic/Research Institutions, with SMIT. The T&P Cell functions with the following objectives:

- To provide in-house training to students to supplement their curriculum.
- To arrange the final semester industrial projects to work on live problems (Practice Schools).
- To inculcate entrepreneurial culture among the students and encourage them to start their venture with the support of Atal Incubation Center, funded by Niti Aayog, Govt. of India.
- To bring Industrial establishments to the campus for recruitment of students.

To achieve the objectives, T&P organizes courses and training programmes to enhance the aptitude and skill of the students to increase employability. Regular feedbacks are also obtained from the industries on the advances in technology vis-à-vis the facilities in the Institute and appropriate actions are taken.

T&P Cell also organizes events like seminars, workshops, guest lectures and corporate interactions.

1.15 AIC-SMU Technology Business Incubation Foundation

Introduction:
In line with the pursuits of Government of India towards Make in India and Start-up India, AIC-SMU Technology Business Incubation Foundation (AIC-SMUTBI) was set up as one of the 100 world-class incubators envisioned by the Atal Innovation Mission, NITI Aayog Government of India in September, 2018. It is the first Atal Incubation Centre in North-East India and is located inside the campus of Sikkim Manipal Institute of Technology.

The incubator nurtures and incubates early stage entrepreneurial ventures based on Technology and Innovation by providing infrastructure, mentorship and Seed grants to promising young entrepreneurs to pursue their dreams of starting their own venture.

Startup Portfolio:
The incubator currently has 32 startups in its portfolio working in various domains including Space and Aeronautics, FinTech, Agritech, Tourism, Media Tech, FMCG, Health and Wellness to name a few.

Major Achievements:
1. Entrepreneurship World Cup’2019 hosted at AIC-SMUTBI in collaboration with MISK Global (the Prince Mohammed bin Salman bin Abdulaziz Foundation), in partnership with the Global Entrepreneurship Network and The Global Education & Leadership Foundation (tGELF).
2. iDEX Challenge 2019, (Defence India Start-up Challenge) in partnership with Ministry of Defense as partner Incubator.
3. Conducted the first Acceleration Cohort of Government of Sikkim in partnership with LetsVenture supported by NSIC, under Ministry of MSME, GoI. Four (4) startups are working on closing the deals for investment post the Demo Day which was held in November, 2020.
4. Out of the 20 startups from NE India selected for providing grant of Rs. 5 Lakh each, 6 were from Sikkim becoming the second highest number of startups to receive the grant just next to Assam, out of the 6 startups from Sikkim 4 of them are from the portfolio of AIC-SMUTBI.
5. AIC-SMUTBI is one of the few iCREST Certified Incubators in India which is a recognition of Incubators of Atal Innovation Mission, NITI AAYOG and Bill and Melinda Gates Foundation.

**Testimonials**

**Dr. Prerana Gogoi (MBBS 2012)**  
Fellow and Clinical Facilitator at St George’s University School of Medicine  
NY and Grenada, WI  
“I think I carry a piece of Sikkim Manipal Institute of Medical Sciences in my heart everywhere I go. It’s really part of who you are or who you become. SMIMS truly shapes you into a mould of excellence and perfection. We learnt punctuality, determination, perseverance, excellence, grit and glamour, to never give up and get back up from a fall. I wouldn’t be wrong to quote that amidst the calm and chill of the hills, we were taught resilience and patience in the most effective way. I have the deepest gratitude and love for my teachers, mentors till date who’ve guided every step of the way and been available for me whenever I needed them. Trust me, it serves and helps you at every level and situation in life and I can never thank my Alma Mater enough for what it has given me. Forever indebted.”

**Dr. Kumar Jayant (MBBS 2002)**  
MRCS,FACS, Masters HPB, PhD  
Senior Transplant & Vascular Access Fellow  
Hammersmith Hospital, United Kingdom  
“I consider myself very fortunate that I did complete my medical school from SMIMS located in the midst of nature, the place had inscribed a bounty of surreal experiences over my heart, which are difficult to describe. Everything about the place is excellent from the academics to the teachers, that has helped me in becoming a cognizant surgeon and complete person. Hence, in my experience, SMIMS is the top echelon of medical education in India”.

**DR AYUSH SHARMA, MBBS (2002),**  
Chief Spine Surgeon Dr. Babasaheb Ambedkar Central Railway Hospital, Mumbai, India  
MS,DNB,Dip SICOT,FISS  
“My days at SMIMS are definitely most memorable time of my professional life. Studying medical science in the lap of nature does have its advantages. We were taught very well .Both the academic calendar and the faculty at SMIMS is one of the best . I always cherish my days at Gangtok”.

Central Reserved Police Force

“It is my privilege to be the part of SMCON which shaped the holistic being in me. Facing various personal and professional challenges so far, the recognition for this institute never dimmed but always grew. The environment and learning opportunities which SMCON provides is very rare to find. I am forever grateful towards it for boosting my inner confidence with the best knowledge and professional abilities which enabled me to make a difference to the world.”

Ms. Ajita Gyawali

Testimonials

Karma.T. Lhazom Lepcha
– Gangtok, Sikkim
BPT 2016, MPT 2018

“The six and half years during my under graduation and post graduation were a period of robust and intense learning. Where the theoretical teaching and practical exposure went hand in hand, therefore creating a vivid and distinctive professional by the end of the programs. It helped me establish a sound base and knowledge of the subject, probing me deeper into rendition of rehabilitative services.

These were the most enriching and enlightening years of my life. The best educational experience I have ever had.”

Anju Sapkota – Kathmandu, Nepal
BPT: 2013-2018

“Being a part of SMCPT has been an amazing experience. Inspiring, supportive and friendly faculties kept us motivated to learn and work harder. The clinical placements allowed me to strengthen my practical knowledge and clinical reasoning. I also volunteered in outreach camps and community programmes organized by non-governmental organisations and constituent institutes of the university.

Other than academics, being involved in extracurricular activities, hosting programs and organizing events was a regular pleasure. Now when I look back, I am confident that I have learnt so much. I’m grateful to the college for providing me with the skills, exposure and confidence that has shaped me to work as a professional in any capacity.”

Jagdeep Kaur - Thüringen, Germany
BPT: 2002-2006

“I would like to express my genuine gratitude towards SMCPT, as it provided me my bachelor’s degree in Physiotherapy which was rich in theory as well as in practical and offered a complete understanding of the subjects. Faculty & official staff were very much engaged to provide us with the best. Moreover, there wasn’t a big gap between teachers and students, which makes learning way more interesting. The education & experience I received from the institute has helped and still helping me even in a foreign country.

SMU is a beautiful place to study & being in the nature and I wish to visit SMCPT soon again.”

Annexure III

I. PREAMBLE: In view of the directions of the Hon’ble Supreme Court dated 8.05.2009 and in consideration of the determination of the Central Government and the University Grants Commission to prohibit, prevent and eliminate the scourge of ragging.

2. OBJECTIVE: To eliminate ragging in all its forms from universities, deemed universities and other higher educational institutions in the country by prohibiting it under these Regulations, preventing its occurrence and punishing those who indulge in ragging as provided for in these Regulations and the appropriate law in force.

3. WHAT CONSTITUTES RAGGING: Ragging constitutes one or more of any of the following acts:
   a) Any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student.
   b) Indulging in rowdy or indisciplined activities by any student or students which causes or is likely to cause annoyance, hardship, physical or psychological harm or to raise fear or apprehension thereof in any fresher or any other student.
c) Asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student.

d) Any act by a senior student that prevents, disrupts or disturbs the regular academic activity of any other student or a fresher.

e) Exploiting the services of a fresher or any other student for completing the academic tasks assigned to an individual or a group of students.

f) Any act of financial extortion or forceful expenditure burden put on a fresher or any other student by students

g) Any act of physical abuse including all variants of it: sexual abuse, homosexual assaults, stripping, forcing obscene and lewd acts, gestures, causing bodily harm or any other danger to health or person;

h) Any act or abuse by spoken words, emails, post, public insults which would also include deriving perverted pleasure, vicarious or sadistic thrill from actively or passively participating in the discomfiture to fresher or any other student.

i) Any act that affects the mental health and self-confidence of a fresher or any other student with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher or any other student.

4. MEASURES FOR PROHIBITION OF RAGGING: There are a number of such measures at institution level, University Level, District level etc. Some of them that are important for students to know are as follows:

- No institution shall permit or condone any reported incident of ragging in any form; and all institutions shall take all necessary and
required measures, including but not limited to the provisions of these Regulations, to achieve the objective of eliminating ragging, within the institution or outside.

- All institutions shall take action in accordance with these Regulations against those found guilty of ragging and/or abetting ragging, actively or passively, or being part of a conspiracy to promote ragging.

- Every public declaration of intent by any institution, in any electronic, audiovisual or print or any other media, for admission of students to any course of study shall expressly provide that ragging is totally prohibited in the institution, and anyone found guilty of ragging and/or abetting ragging, whether actively or passively, or being a part of a conspiracy to promote ragging, is liable to be punished in accordance with these Regulations as well as under the provisions of any penal law for the time being in force.

- The telephone numbers of the Anti-Ragging Helpline and all the important functionaries in the institution, including but not limited to the Head of the institution, faculty members, members of the Anti-Ragging Committees and Anti-Ragging Squads, District and Sub-Divisional authorities, Wardens of hostels, and other functionaries or authorities where relevant, shall be published in the brochure of admission/instruction booklet or the prospectus.

- The application for admission, enrolment or registration must be accompanied by an Anti Ragging affidavit signed by a student in a prescribed format and another Anti Ragging Affidavit signed by a Parent/Guardian. (Both these Affidavits can be downloaded from the Web)
- Any distress message received at the Anti-Ragging Helpline shall be simultaneously relayed to the Head of the Institution, the Warden of the Hostels, the Nodal Officer of the affiliating University, if the incident reported has taken place in an institution affiliated to a University, the concerned District authorities and if so required, the District Magistrate, and the Superintendent of Police, and shall also be web enabled so as to be in the public domain simultaneously for the media and citizens to access it.

- On receipt of the recommendation of the Anti Ragging Squad or on receipt of any information concerning any reported incident of ragging, the Head of institution shall immediately determine if a case under the penal laws is made out and if so, either on his own or through a member of the Anti-Ragging Committee authorised by him in this behalf, proceed to file a First Information Report (FIR), within twenty four hours of receipt of such information or recommendation, with the police and local authorities, under the appropriate penal provisions.

- The Commission shall maintain an appropriate data base to be created out of affidavits, affirmed by each student and his/her parents/guardians and stored electronically by the institution, either on its or through an agency to be designated by it; and such database shall also function as a record of ragging complaints received, and the status of the action taken thereon.

- The Commission shall include a specific condition in the Utilization Certificate, in respect of any financial assistance or grants-in-aid to any institution under any of the general or special schemes of the
Commission, that the institution has complied with the anti-ragging measures.

- Any incident of ragging in an institution shall adversely affect its accreditation, ranking or grading by NAAC or by any other authorised accreditation agencies while assessing the institution for accreditation, ranking or grading purposes.
- The Commission may accord priority in financial grants-in-aid to those institutions, otherwise eligible to receive grants under section 12B of the Act, which report a blemishless record in terms of there being no reported incident of ragging.

5. ADMINISTRATIVE ACTION IN THE EVENT OF RAGGING: The institution shall punish a student found guilty of ragging after following the procedure and in the manner prescribed here in under:

- The Anti-Ragging Committee of the institution shall take an appropriate decision, in regard to punishment or otherwise, depending on the facts of each incident of ragging and nature and gravity of the incident of ragging established in the recommendations of the Anti-Ragging Squad.
- The Anti-Ragging Committee may, depending on the nature and gravity of the guilt established by the Anti-Ragging Squad, award, to those found guilty, one or more of the following punishments, namely;
  a) Suspension from attending classes and academic privileges.
  b) Withholding/ withdrawing scholarship/ fellowship and other benefits.
  c) Debarring from appearing in any test/ examination or other evaluation process.
  d) Withholding results.
e) Debarring from representing the institution in any regional, national or international meet, tournament, youth festival, etc.
f) Suspension/ expulsion from the hostel.
g) Cancellation of admission.
h) Rustication from the institution for period ranging from one to four semesters.
i) Expulsion from the institution and consequent debarring from admission to any other institution for a specified period.

- Provided that where the persons committing or abetting the act of ragging are not identified, the institution shall resort to collective punishment.

- An appeal against the order of punishment by the Anti-Ragging Committee shall lie, (i) in case of an order of an institution, affiliated to or constituent part, of a University, to the Vice-Chancellor of the University; (ii) in case of an order of a University, to its Chancellor. (iii) in case of an institution of national importance created by an Act of Parliament, to the Chairman or Chancellor of the institution, as the case may be.

- Where in the opinion of the appointing authority, a lapse is attributable to any member of the faculty or staff of the institution, in the matter of reporting or taking prompt action to prevent an incident of ragging or who display an apathetic or insensitive attitude towards complaints of ragging, or who fail to take timely steps, whether required under these Regulations or otherwise, to prevent an incident or incidents of ragging, then such authority shall initiate departmental disciplinary action, in accordance with the prescribed procedure of the institution, against such member of the faculty or staff. Provided that where such lapse is
attributable to the Head of the institution, the authority designated to appoint such Head shall take such departmental disciplinary action; and such action shall be without prejudice to any action that may be taken under the penal laws for abetment of ragging for failure to take timely steps in the prevention of ragging or punishing any student found guilty of ragging.
