

NSS (National Service Scheme) at FHSSLA, SMU

NSS has been playing a vital role in nation-building through the development of leadership skills among the youths and community-based activities. It helps in practicing national integration, social harmony and youth development. Keeping in mind all the objectives, we at FHSSLA proposed to introduce NSS cell before the management in the month of February 2018. The management was kind enough to approve our proposal along with suggestions for the incorporation of all the constituent units. As follow-up measures, we communicated with the office of the state NSS officer for initiating the process for the introduction of NSS at SMU. The state NSS officer, on 27th March 2018, approved our application and FHSSLA was designated as the nodal center of NSS of Sikkim Manipal University. Since its conception, the NSS cell at FHSSLA has been conducting various events and extension activities.

Sikkim Manipal University National Service Scheme activities since June 2018
